

Midwives Grey Bruce

Is Seeking A Locum Midwife from June 1st 2023 to
June 1st, 2024

Midwives Grey Bruce (MGB) is a dynamic and busy rural practice, serving a vast catchment area that stretches from the northern tip of the Saugeen Peninsula, south to Kincardine and east to the Beaver Valley. We are living and practicing in Robinson Treaty and Saugeen Treaty territories and on the traditional lands of the Anishinabek Nation.

We are 12 midwives (10 GR and 2 NR). We are seeking a Locum Midwife who is interested in providing care to a diverse clientele with a high home birth rate. We strongly support informed choice for our clients. We are committed to providing inclusive and culturally safe care. MGB is a dedicated teaching practice that strives to offer students enriching and positive learning experiences.

To best serve our region, we have two clinic sites and hold privileges at three hospitals. Our main clinic is in Owen Sound, a small city with a level two hospital. We also hold privileges at two level one hospitals in Hanover and Walkerton. Our second clinic site is in the small town of Walkerton to support clients in the southern part of our catchment area.

We are committed to supporting midwives in being their authentic selves and achieving work-life balance. As such, midwives at MGB work within a small

team, shared care model. The successful applicant will receive approximately 28 BCCs annually with a potential to increase and will meet with their team to develop an optimal schedule. At MGB we strive to make collective decisions, ensuring that all voices are heard.

We are committed to inclusion and diversity and encourage applications from people who identify as IBPOC, LGBTQ2IA+ or having a disability.

To apply, please fax or email your cover letter and CV to us.
