

General Registrant Position

Are you a General Registrant looking for a vibrant and growing community to work and live?

Are you interested in working in a full-scope community while serving BIPOC clients?

Are you interested in building ongoing relationships and developing exciting programs with our hospital, our community, and our affiliates?

We are looking for a General Registrant to join our practice and that person might be You! We will consider applicants requiring a CMO Supervision Plan.

This is a permanent position with a one-year and ongoing contracts with the likelihood of partnership after the first year. This position offers full caseload (40 BCC's or more) with the option for less caseload if desired.

Located in Brampton, we have privileges at Etobicoke General Hospital, a division of the William Osler Health System. Our catchment includes Caledon, Bolton, Woodbridge and Vaughan so there are lots of places that you can live and have proximal access to Toronto, Niagara Falls, the US, the rolling countryside of Caledon and even skiing up North.

AMMA Midwives is a practice committed to creating a workplace culture that supports sustainable work-life balance through respectful communication and relationships with our peers and allied health care professionals. We encourage our midwives to explore their interests in academic research, CMO or AOM activities as well as personal hobbies. We work in both a traditional midwifery model and are open to alternative practice models in order to meet the needs of midwives in all stages of their lives and careers.

We enjoy serving a highly racialized community and therefore fluency in Spanish, French, Arabic, and/or a South Asian language would be an asset but is not required.

Our practice is deeply rooted in our community and we have built alliances with various health organizations to ensure our clients are well supported. We are a teaching practice and will have students working with us throughout the year at various levels of placement.

Please email your resume and accompanying cover letter to admin@ammamidwives.com. Please indicate "General Registrant" in the subject line. We look forward to meeting you very soon!
