

Position: Short-term locum relief

We are seeking an experienced midwife who is willing to come for short-term locum relief (5-21 days) to support the current midwives by doing clinic, home visits and being on call for seconds for out of hospital births. Privileges at Timmins and District Hospital could be obtained for long-term relief. Compensation is through the locum relief program and have many days available for the current fiscal year.

Boreal Midwifery Practice (BMP) is in Timmins, ON, a rural/remote northern city serving a wide catchment area, including Cochrane, Iroquois Falls, Val Gagné, Matheson, Ramore, and Foleyet.

Since 2007, our well-established practice has provided care to this diverse community, currently supported by three full-time midwives. We serve clients from a range of backgrounds, including Mennonite, Indigenous, and Francophone communities.

Our midwives hold privileges at Timmins and District Hospital, working within a full-scope model that includes managing oxytocin and epidurals. We proudly support choice of birthplace, with 20-30% of our births occurring outside the hospital—whether at home or in our clinic.

The ideal candidate would be flexible, organized and ready to help. If interested, please send your cover letter and CV to practice@borealmidwifery.ca. We look forward to hearing from you!
