Please consider volunteering to be a member of this important group:

The AOM recognizes the dignity and worth of every person and is committed to creating an environment that is safe, accessible, inclusive and respectful of members, staff, and the public. Audit Committee

Do financial issues interest you or would you like the opportunity to learn more about how to think strategically about financial issues in a supportive environment? The Audit Committee provides guidance and support with managing the AOM's financial resources and mitigating organizational risk. It reviews the AOM's activities and makes recommendations to the Board of Directors about the budget, finances, improving practices and reducing potential risks.

Committee responsibilities include:

- Overseeing the AOM's use of financial resources
- Monitoring the AOM's financial and risk management controls, specifically to reduce exposure to significant risk
- Evaluating and recommending the AOM's auditors to the Board of Directors and membership

Membership

We are seeking to fill 1 – 2 member positions on this committee. Members serve a two-year term, renewable twice (up to a total of six years).

The committee typically meets four times per year and members may be required to provide input between meetings via telephone or email. We encourage members with diverse experiences to apply. Committee members will be selected based on expressed interest and to reflect the diversity of membership.

Board Recruitment Task Force

The AOM Board of Directors provides governance to the association, making critical decisions regarding the organization and the profession. Are you interested in being part of the process to select appointed members? This time limited task force is a great opportunity for those who would like to “dip their toes” into AOM committee work.

Task Force responsibilities include:

- Ensure understanding of the recruitment matrix approved by the Board and key methods for prioritizing gaps. This understanding will be supported through consultation with the Health-Care Equity, Quality and Human Rights (HEQHR) department.
- Screen all applications for board appointments based on needs identified by the matrix.
- Prioritize diversity of perspectives (racial, religious, disability, 2SLGBTQQIA+ etc.), particularly when gaps on the Board are due to a lack of representation of Black, racialized and equity-deserving groups.
- Provide recommendations to the Board regarding Board appointed positions.

Membership

We are seeking to fill 2-3 member positions on this Task Force. The purpose of the Task Force is to administer the Board recruitment process in preparation for our upcoming Annual Member’s Meeting.

Selection will be based on two priority areas:

1. Diverse representation of lived experiences, particularly as a Black or racialized member, and persons with intersectional experiences.
2. Experience with or knowledge of the current issues faced by the Board, and/or issues the Board needs to consider to build a strong and equitable profession.

The term for this task force is from January to the May 2025 AMM. The Task Force will have a minimum of two meetings. Task Force members will also be required to provide input between meetings via telephone or e-mail.
