

New Registrant Position

Trillium Midwives is looking for a new registrant to join our practice for 2025-2026 funding year. Your start time is expected in summer 2024 conditioned upon funding.

We serve diverse communities in the north of Scarborough and southeast of York region.

We have privilege at Toronto Birth Centre (TBC) and Scarborough Health Network (SHN), and have full-scope privileges at Scarborough Health Network (SHN), General hospital. We enjoy and treasure great working relationship with our colleagues, staff, SHN and TBC. If you want to join a professional, respectful, friendly, and supportive group, we are here to offer.

We have primary and shared care models. You are expected to be committed to providing compassionate client/person-centred care, have good skills in communication and interprofessional collaboration, and are a good team player. You are also dedication to the promotion of out-of-hospital births including home births and Toronto Birth Center births. Speaking a second language will be a great asset.

Please send your CV and letter of introduction to Trillium Midwives at info@trilliummidwives.ca

Thank you very much for your interest. Only those selected for an interview will be contacted.
