
EAST MISSISSAUGA

MIDWIVES

East Mississauga Midwives is seeking a General Registrant to join our practice. We are offering a one year contract that could become a permanent position for the right candidate.

- Start date as early as summer 2025.
- Expected caseload of approximately 36-40 BCC/year.
- Caseload has already been built up for this position; this would allow the successful candidate to start billing clients 1-2 months after their start date.

Call Schedule & Details

- We work in a collaborative shared-care model and value a healthy work/life balance; we currently work in a one week on-call/one week off-call structure.
- Peer support is integral to our work culture at EMM. We organize comprehensive orientation activities for new team members and emphasize strong mentorship throughout the New Registrant year.

Practice & Hospital Information

- We are located in the GTA, approximately 30 minutes west of Toronto. Our practice serves a diverse population including many new immigrant and refugee families, people in difficult life situations, teens and those without OHIP.
- We have privileges at Trillium Health Partners, Mississauga site; we will transition to Credit Valley Hospital in fall 2025, while construction of the new Mississauga Hospital (home of the future Shah Family Hospital for Women and Children) is underway.
- We work in a full-scope setting and manage oxytocin and epidurals. We are fortunate to have excellent inter-professional relationships and a high profile in our community.
- EMM is a well-established, stable practice. Our practice culture is built on fairness, consensus and openness. Our practice is extremely supportive of family and personal time and we are committed to helping our colleagues balance professional and personal interests.

We value the many ways in which midwives identify themselves and are committed to supporting inclusivity and diversity. We welcome and encourage midwives of diverse backgrounds and/or those who speak multiple languages to apply.
