## **New Registrant Position Fall 2025**

### **Background**

Midwives of Headwater Hills has been serving Orangeville and the surrounding area for over 10 years. Orangeville has all amenities, yet retains a friendly small-town feel, offers great restaurants and abundant opportunities to experience nature and outdoor recreation. We are within 90 minutes to Toronto, Guelph, Barrie and the GTA. Our hospital is a level 1 that delivers about 900 babies per year with friendly anaesthesia, obstetric and pediatric services. Our homebirth rate is approximately 20%.

### **Model and Scope**

We are a practice of 7 midwives working in a shared care model of two teams. We rotate through a call/clinic/vacation model. Medical inductions are a transfer of care at our hospital. Midwives retain care for epidurals.

### **Our Values**

Our practice has a strong focus on transparency and equality. We have a healthy practice culture of supporting, respecting and caring for each other as peers, co-workers, friends and midwives. We aim to work hard, providing excellent clinical care in a fun and collaborative atmosphere. We are committed to the promotion low-risk care, informed choice and homebirth.

### **The Midwife**

We are seeking to welcome a new registrant midwife to begin in early fall 2025 with a full caseload and experienced senior midwife support. We seek to attract a midwife who is independent, self-reflective and enthusiastic with strong communication skills and awesome sense of humour. We encourage applicants from all backgrounds, communities and identities.
