Kensington Midwives is Hiring!

We are looking to hire a New Registrant Midwife with a summer-fall 2025 start date.

Kensington Midwives is located in Kensington Market, serving downtown Toronto. Our catchment area covers north to the 401, south to Lake Ontario, west to Humber River, east to Victoria Park. Our clinic space is bright and comfortable within a larger secure health building. We use Accuro EMR and have abundant support from our administrative staff.

We have privileges at St. Joseph's Health Centre, where we maintain care for epidurals and oxytocin augmentations. We also have privileges at the Toronto Birth Centre.

We work in models of shared-call in groupings of two midwives to a team. However, we know that one size does not fit all, so we are open to new ideas and accommodating requests. We strive for a supportive team environment that supports all team members to have the work-life balance that suits their needs. We have generous sleep-relief and sick-leave policies.

What do we value and believe?
❖ We are passionate about informed choice.
❖ We believe in Trauma Informed care and preserving the birthing person's autonomy.
❖ We are committed to providing out of hospital birth choices and proud to have maintained an out of hospital birth rate of 35%.
❖ We strive for a hiring process and structure of practice consistent with an anti-oppression, anti-racist consciousness.

We are offering a 1 year NR contract with the opportunity for a permanent position if Kensington Midwives is the right fit for you (subject to available funding).

We are looking for new energy and creative input for long term sustainability. We know there are many job opportunities to choose from and we hope you will consider joining us!

If you like what we stand for and are interested in joining us, please send us your CV by email to: **kmw@kensingtonmidwives.ca**
Applications will be accepted until **Friday, March 29, 2025.**
Only successful candidates will be contacted for interview.
