WE ARE GROWING! GENERAL REGISTRANT POSITIONS AVAILABLE

Do you dream of working in a collaborative, caring, well-established practice with full scope, excellent hospital relationships and a wonderful and diverse clientele? Then our practice is for you! The Midwives Clinic of East York-Don Mills (TMC) is a large urban practice located in the east end of Toronto in the Thorncliffe Park neighbourhood. We have privileges at Michael Garron Hospital and the Toronto Birth Centre. We serve a diverse clientele and a large number of uninsured clients. One of our teams works out of Women's Health in Women's Hands CHC, a community health centre serving uninsured and racialized people from the African, Black, Caribbean, Latin American and South Asian communities in downtown Toronto.

We are seeking GRs for a flexible start date. The successful applicant(s) can anticipate a pre-built full time caseload, proper training and a generous amount of protected off call time. Our teams work in several different shared call models, including a team of 8 that works maximum 24 hours on call at a time. We invite MEP or IMPP graduates to apply and we strongly encourage IBPOC applicants. Additional languages spoken would be an asset.

We value work-life balance and a fair and welcoming practice culture.

If interested please send a letter of interest and your CV with "GR Position" in the subject line to:

frontdesk@themidwivesclinic.ca
or fax to
416-424-2593

We look forward to hearing from you!
