

Midwives Grey Bruce

Midwives Grey Bruce (MGB) is looking for a General Registrant to join our practice with a start date of January 2026 with flexible caseload options. We serve a vast catchment area that stretches from the northern tip of the Saugeen Peninsula, south to Kincardine and east to the Beaver Valley. We are living and practicing in Robinson Treaty and Saugeen Treaty territories and on the traditional lands of the Anishinabek along the beautiful shores of Georgian Bay and Lake Huron. We have excellent travel compensation.

We are committed to supporting midwives in being their authentic selves and achieving work-life balance. We have a strong sleep relief policy and we stick to it. Midwives at MGB work within a small team, shared care model. At MGB we strive to make collective decisions, ensuring that all voices are heard.

We are a group of 12 midwives (11 GR) seeking a General Registrant Midwife who is interested in providing individualized care to diverse clientele including a large population of Old Order Anabaptist folk. We strongly support informed choice for our clients and are committed to providing inclusive and culturally safe care. MGB is a dedicated teaching practice that strives to offer students and New Registrants enriching and positive learning experiences including ECVs, breast pump inductions and cervical ripening with foley catheter. We manage epidurals but choose to transfer care for oxytocin to maintain our high homebirth rate of 20-30%.

To best serve our region, we have two clinic sites and hold privileges at three hospitals. Our main clinic is in Owen Sound, a small city with a level two hospital. We also hold privileges at two level one hospitals in Hanover and Walkerton. Our second clinic site is in the small town of Walkerton to support clients in the southern part of our catchment area. We have connections to help people find housing. We are committed to inclusion and diversity and encourage applications from people who identify as IBPOC, LGBTQ2IA+ or diverse abilities.

To apply, please fax or email your cover letter and CV to us!
